NETWORK

Request for Proposals

Northern Mosaic Network (NMN) is hosting the first *Trans+ Healthcare Conference* June 4-5, 2024 in Sòᓄᓄᓄᓄᓄᓄ (Yellowknife), Northwest Territories (NWT). As an organization, NMN is investing in making the NWT a safer, more equitable place for 2SLGBTQIPA+ youth, adults, and families. The goal of this conference is to build NWT healthcare providers' knowledge of trans+ healthcare so that they can deliver safer and more accessible care to two-spirit, non-binary, and trans+ people across the NWT.

We are currently seeking proposals from healthcare providers, educators, advocates, and researchers to present at this conference. Preference for presenters will be given to two-spirit, non-binary, and trans+ presenters. Options for presentation formats are: (1) Keynote Conference Presentation - 2 hours; (2) Conference Presentation - 1 hour; or (3) Workshop - 1.5 hours. You can apply to offer both a conference presentation and a workshop.

Call for proposals opens: March 13, 2024

Call for proposals closes: April 3, 2024

Selected presentations/workshops will be contacted by the end of April.

To submit a proposal, please complete the application, which can be found on our website at www.northernmosaic.net/registration. For more information on this conference, please read the conference backgrounder, also accessible on our website. If you have any questions about this request for proposals, please reach out to Emily Smith, the Mental Health and Family Supports Coordinator for Northern Mosaic Network, at coordinator@northernmosaic.net.
